T & C Asia has been providing its customers with high quality electromechanical devices since 1987.

Backed by 20 years of experience, we have serviced various industries from motors used in medical exercise equipment to vending machines. Our strong engineering background allows us to aid our customers with design and selection of products minimizing the development time.

T & C Asia's dependable global supply has been critical to the profitability and long-term growth of many US Manufacturers. T & C Asia is not a trading company - we are not a middleman. We put you directly in contact with the manufacturer leaving little room for error.

There are numerous providers around, but few can offer the product knowledge, customer service and attention to detail that T & C Asia delivers.
